

**WML Information Literacy Instruction Assessment 2017-18
Classroom Activity Report**

Faculty Librarian: Kevin Norris

Semester: Fall 2017

Course Number and Name: PSIO 220: Advanced Human Anatomy and Physiology

The instructor for the course was not present. If she had been there, it would have made the lab part of the presentation more productive.

WML Information Literacy Program Student Learning Outcomes this information literacy instruction supports

SLO2: Students will gain insight and understanding about diverse sources of information in order to evaluate and use resources appropriately for their information needs.

SLO3: Students will identify the appropriate level of scholarship among publication types (scholarly journals, trade publications, magazines, websites, etc.) in order to critically evaluate the usefulness of the information for their research need.

SLO4: Students will articulate the key elements in their research questions in order to develop and execute a search strategy.
