

WML Information Literacy Instruction Assessment 2021-22
Classroom Activity Report – Individual

Faculty Librarian: Donna Witek

Semester: Spring 2022

Course Number and Name: BIOL 351L: Developmental Biology Lab

Course Instructor (Last Name): Driver

Date(s) of Information Literacy Instruction: 2/22/2022

Time(s) of Information Literacy Instruction:

SLO 2: As a result of this information literacy instruction, students will become aware of access

PLO2: Students will gain insight and understanding about diverse sources of information in order to evaluate and use resources appropriately for their information needs.

PLO3: Students will identify the appropriate level of scholarship among publication types (scholarly journals, trade publications, magazines, websites, etc.) in order to critically evaluate the usefulness of the information for their research need.

PLO4: Students will articulate the key elements in their research questions in order to develop and execute a search strategy.

Primary, Secondary, and Tertiary Sources in Biological Sciences:
