Liaison Report:

Ms. Tetreault had a couple of notes from Cabinet.

- x The 2017/18 budget is being prepared, it is being moved from the draft policy to the final document.
 - o Some of the things Ms. Tetreault is involved with are salary predictions, benefit items and how to carve out some dollars to help implement the compensation study.
- x The Strategic Plan Update for the Board of Trustees Meeting coming up in a few weeks.

Royal Days is taking place on campus. This past Monday, 171 students and their families came out of the 179 that were expected. The following two Mondays are also Royal Days. Ms. Tetreault encouraged everyone to continue to welcome the students and support them as they consider the university for their higher education.

Ms. Tetreault has hired an HR manager who will be starting in a couple of weeks, February 27 campus announcement will be made.

Spring Convocation is scheduled for tomorrow. Ms. Tetreault has spoken to Dr. Dreier and they are determining whether to delay it one week with the impending bad weather.

- x They have finished the review of the positions.
- x They have identified an updated set of grade ranges.

Mr. Murphy wanted to point out some of the items the Senate is working on so that they are on the forefront of everybody's minds.

- x We are working on the Smoking Policy with the committee that's working with HR.
- x Per Fr. Quinn's request, we are working on a Business Casual Dress Policy.
- x Joe Wetherell is chairing the ad hoc committee researching donating time to other staff members.
- x Ms. Butler sent a note with some details that need to be adjusted on our By-Laws. There are some things we need to catch up on, some things that our Constitution and By-Laws are not matching on. There was one change to the Constitution which was changing requiring two years of employment to one year of employment to serve as a senator. That was changed through a motion and a vote last year, but needs to be changed in our Constitution which requires the approval of the Board of Trustees.
- x Roundtable policies which Amy went over in the January meeting.
- x Prioritizing things that we are working on.
- x There was a meeting in HR regarding The Wellness Participation Time Policy which was attended by Ms. Adamec, Ms. Mascelli, Mr. Barrett, Ms. Driscoll McNulty, Mr. Murphy, Ms. Tetreault and Ms. McCartney. It was a positive meeting and the next step will be conducting a survey during Wellness Day to see how needed the policy may be. There is a concern about putting a policy in place for a solution to a problem that might be occurring in isolated areas. The problem might be solvable via discussion with leadership in the areas.
- x Some of the events coming up for spring are:
 - o The Spring Luncheon

Ms. Brackev Phillips on behalf of the Communications committee was happy to report that Ms. Jubinski has joined the committee.

- x The Spring Symposium is March 10th from 11:30-1:00. They are finalizing some of the speakers so that they can start advertising soon.

Ms. Driscoll McNulty on behalf of the Election and Membership committee states the Annual Meet and Greet is April 5 @ 11:30. The Meet and Greet is a luncheon in which we invite all staff to meet the nominees.

- x The call for nominations will go out in early March.
- x The committee will be looking for a representative, preferably with a technology background, to serve on a search committee for the Associate Chief Information Officer position.

Ms. Driscoll McNulty on behalf of the Finance committee asked for the committees that have events coming up to send estimates of the cost of the event.

The Ad Hoc committee for the Wellness Participation Policy met and it is still moving forward.

- x Mr. Barrett reported that they are working on a survey to give out at the end of Wellness Day asking what an employee's ability is to participate in Wellness classes.
 - o Ms. Butler suggested considering when the survey will be given. Maybe give out the survey in the beginning of Wellness Day or when information is sent out about Wellness Day.
- x Ms. Adamec asked everyone to mark their calendars for March¹⁴ Wellness Day.
