Ms. Cullen Brown is continuing to research what other institutions policies are regarding what information is made public on websites. She reported that out of 8 institutions only one posts minutes.

5. Preliminary Budget

Mr. Murphy reported that he had submitted the budget to Ms. Day explained that the budget request is smaller than what was discussed at the Executive Committee because as he was itemizing the budget there were some overlaps. Ms. Winslow, a member of the Executive Committee, said that she would have appreciated receiving an email regarding the changes. Mr. Murphy said that time was an issue. Ms. Bennett requested that the issue be tabled and discussed at the next Executive Committee meeting.
